WINEMAKING

Yeast: Native

Elevage: French oak barrels

Bottled: December 2020

Fining/Filtering: None

IN THE CELLAR:

Whole cluster pressed to tank, settled briefly before being moved to another tank for fermentation. After fermentation is active, the juice goes down to barrels and puncheons with no more than 10% new oak. No battonage and full ML. Left on lees for 11 months before going back to tank for an additional few months of aging.
